

SPACE PROBLEM IN COURT HOUSE IS STUDIED BY COMMISSIONERS

The Adams County Commissioners spent this morning studying the possibility of microfilming the county's records—particularly those of the register and recorder—as a convenience and as a solution of the problem of lack of space.

No action was taken immediately as the commissioners were considering the matter from numerous angles, one of them the possibility that the county may be required to enlarge its court house within a few years.

The problem of record storage has become increasingly acute with each passing year. The commissioners said some records cannot be removed to other storage space unless microfilm copies are available. Also being discussed is the question of turning the now unused coal bin at the court house into a new vault, for keeping official documents. The coal bin has been used since the court house furnace was converted to oil several years ago.

Offices Cramped For Space
The register and recorder's office with 208 deed books now on file will soon find itself in need of expansion. Microfilming would permit the removal of some of the older deed books to another storage place, according to the discussion this morning. The prothonotary's office and the clerk of court's office were also reported as becoming crowded for space.

There has been some discussion of the possibility of adding an annex to the Court House, which would involve purchase of additional property on Baltimore St., and construction of a building that would about double the size of the present Court House. A number of offices, such as the district attorney, child welfare, and the sheriff now are located elsewhere—the sheriff at the jail and the child welfare office and district attorney's in buildings near the court house.

There is also the possibility of need of an additional and smaller court room for purposes for which the law library is now used. In addition every one of the court house offices is relatively small in comparison to the use of the offices. For that reason the commissioners (Continued on Page 10)

Bible study periods and preaching services will be conducted regularly in the Odd Fellows' Hall here, starting next Tuesday evening, by Crawford C. Withrow, Gettysburg R. D., minister of the Church of Christ.

Mr. Withrow will hold a Bible study hour each Sunday evening at 7:30 o'clock and a preaching service at 7:30 p.m. On the second and fourth Sunday mornings of each month he also will conduct a Bible study hour at 10 o'clock on the first and third Sundays of each month, he conducts services at the Church of Christ of Ringgold, Md.

The services here are open to the public.

Smoking Truck Is Chased By Firemen

The York Springs Fire Department extinguished a fire Tuesday in the wheels of a truck whose driver did not know that it was burning. The smoke was spotted as the truck drove through town at 2:30 p.m. The alarm was sounded, and the fire engine caught up with the truck on Route 94, 1½ miles south of York Springs.

The blaze was thought to have been caused by a defect in the brakes. Damage was slight and the truck was able to proceed. The names of the driver and the owner of the truck were unavailable.

Kiwanis Club May Be Organized Here

A group of local residents is planning to organize a Kiwanis Club in Gettysburg.

About fifteen Adams County residents who are interested in forming the group met Tuesday night at the Shetter House with McDonald Denton, a representative of the Kiwanis. The group will meet again with Denton next Tuesday evening at 6:30 o'clock at the Shetter House. Ernest Crape, R. 5, is acting chairman of the group.

"This will be the first Kiwanis Club in Adams County," a spokesman for the group said. "The Hanover and Chambersburg clubs are helping us to get started."

AG GROUP WILL OFFER PROGRAM OF ASSISTANCE

A program of educational assistance to be offered by the Adams County Agricultural Extension Association next year.

At the meeting of the board of directors of the association Tuesday night in the court house, the officers approved plans of the county farm agent, his assistant and the county home extension economist to "get their feet wet," as they put it, on a program known as "Farm and Home Planning."

Never before attempted in the county, the program calls for the agricultural and home economics extension workers to meet with small groups of farmers and their wives to discuss plans for "everything connected with the farm and the home."

January 2 and 23 and March 7 and 23 were set as dates for the first series of "Farm and Home Planning" meetings. At present the county office is stressing the "young farmer" in the Farm and Home Planning program, believing the youngsters, just starting out, will find the program of instruction more valuable than would the older and more settled farmers.

In the sessions, young couples will meet in one of the family's homes with the farm agent and home economist. The agent will outline many phases of farming and list the findings of the extension service over the years as to the "averages" for successful farms, and the variations of farming practices. It will show how many "work units" a farmer needs to do each day, if he is to qualify as a successful farmer, how many head of cattle can be supported on how many acres of land, and with what types of feed.

Similarly, the home economist will review the many things that go into the home, and the amount of time the average housewife should devote to each occupation.

Property Transfers

The following property transfers have been filed with the office of the register and recorder:

Glenn A. Weaver and wife, Reading Twp., sold to the borough of East Berlin, for \$400, three properties in Reading Twp., which border on East Berlin, containing a total of approximately three acres.

Richard J. Brendle and wife, New Oxford, sold to Marland J. Zeigler and wife, Oxford Twp., for \$12,000, two properties in Oxford Twp., containing a total of approximately 112 acres.

John B. Baldauf, as administrator in the estate of Ira D. Keller, late of Hanover, sold to Charles W. Hockensmith, Waynesboro, for \$800, a property in Franklin Twp.

MARYLAND BOY PLEADS GUILTY TO AUTO THEFT

Fred Sims Jr., pleaded guilty to two charges resulting from his alleged theft of the automobile of Fred Gormley, 135 Hanover St., last Friday night. Sims, a 19-year-old negro resident of Lynwood, Md., was charged with larceny of an automobile and with driving without the consent of the owner, at a hearing Tuesday night before Justice of the Peace John H. Basehore.

Sims was committed to the county jail following the hearing, in default of \$1,000 bail. He is scheduled to appear before the January term of sentence court.

District Attorney Daniel E. Teeter said that since Sims drove a stolen car across the state line, he had violated a federal law. "But since we are prosecuting him here it is unlikely that the U.S. government will also prosecute. The federal law was passed to break up organized rings of car thieves, which were too much for local authorities. They don't usually bother about small items such as this."

Car Is Wrecked
It was reported that friends had left Sims in Gettysburg Friday. With no way of returning to his home, he took the car, a 1947 Chevrolet which was parked near Gormley's residence. Sims' family is said to have seen the car, and urged him to return it.

Sims is said to have claimed that he was driving the car toward Westminster to return it, when it crashed and rolled over into a pond. Gormley went to Westminster Monday to see the car which had been hauled into town. He said it is a complete loss. He placed the value of the damage at \$360.

COUNTY SENT TO PARAGUAY ON ROAD PROJECT

Philip Roth, son of Mr. and Mrs. Arthur W. Roth, Orttanna R. 1, who has been clearing jungle and building a roadway in Peru along with nine other Mennonite young men since Aug. 1, has been transferred to Paraguay where he will assist in the construction of Mennonite colony roads.

Roth arrived in Asuncion by plane shortly before Christmas. He is one of five Mennonites transferred from the R. G. LeTourneau industrial missionary project in Peru.

The five men remaining in Peru will continue their services with the LeTourneau organization. The original agreement between that group and the Mennonite Central Committee, which supplied the 10 men, called for their services for six months. The LeTourneau organization, however, has valued their work to the extent it has requested an extension of their services and expressed possible interest in more Mennonite personnel.

Build 25-Mile Road

In Paraguay the five men will assist in the construction of a 25-mile roadway between Hoffmansfield, the freight terminal for the three Mennonite Chaco colonies, to a rail-head known as Kilometer 145. Should the possibility of building a roadway between Asuncion and the Chaco become a reality, these men will assist in that construction. The Mennonite colonies in Paraguay are assisted in such road construction by the Mennonite Central Committee, American Mennonite agency for relief and other Christian services. These improved transportation facilities will do much to improve economic conditions in the colonies.

Navy Recruiting Hours Are Changed

The U. S. Navy recruiting hours at the local post office will be from 10 a.m. to 3 p.m. on Tuesday of each week commencing January 4. It was announced today by Chief Quartermaster Louis W. Knott, recruiter in charge of this area.

The increased working hours in Gettysburg by the Navy Recruiters is due to the continuing demand by the Navy Department for recruit enlistments. Chief Knott said that qualified young men may enlist in the Navy immediately after application.

Trespass Appeal Set For Jan. 14th

An appeal of a decision on a trespass action against two Hanover men handed down at a hearing before Justice of the Peace L. G. Kuhn, Midway, December 10, has been filed in Adams County Court by Russell H. Dresher, caretaker for the R. H. Sheppard farms, south of Mt. Pleasant, along the Hanover-Littlestown highway.

The men, Anthony J. Mistil, Central Hotel, and John Sponseller, were accused by Dresher of trespassing on the Sheppard property December 2.

The charge was dismissed by Squire Kuhn for lack of evidence and the costs, \$9, were placed on Sheppard. The Hanoverians received summonses Tuesday from Adams County District Attorney Daniel E. Teeter to appear at quarter sessions of court January 14 at 1 a.m. to answer the appeal.

Let's Make Bums Of Safety Experts

CHICAGO (AP)—The National Safety Council invites you to make a bum of it instead of a corpse out of yourself.

The council issued the invitation today, when it predicted motor vehicle accidents will cost 240 lives during the New Year weekend.

Ned H. Dearborn, council president, urged everyone to walk and drive safely. He added:

"Don't let us sit in an office and predict with tragic accuracy how many will be killed in holiday crashes."

"We cordially invite you to start the New Year by making a bum out of the National Safety Council and its preholiday estimate."

ALL OFFICERS OF EXTENSION GROUP RETAINED

All officers of the Adams County Agricultural Extension Association were re-elected at the annual reorganization meeting of the board of directors Tuesday evening at the court house. They are:

A. B. C. Williams, York Springs, president; Miles Starnes, Aspers R. D., one of the few counties who hold the American Farmer degree, vice president; Mrs. Emory Gitt, Littlestown R. D. secretary, and Robert Lott, Aspers R. D., treasurer.

Plans for a number of meetings during the next two months were outlined. January 5 fruit pruning demonstrations will be held at 9:30 a.m. at the William Lott farm and at 1:30 p.m. at the Thomas Oylar farm, with John Ruef, Extension fruit specialist, in charge. January 26, a forestry management meeting will be held with Ed Farrand, Extension forestry specialist, as the speaker; February 2, a special Livestock day with two Extension livestock specialists, leading the discussions; February 8, the annual Dairy Herd Improvement Association Directors meeting at Alfara park; February 9, a dairy stable ventilation meeting with Charles Burress, Extension engineer, as the speaker.

FIVE INJURED IN 2 ACCIDENTS TUESDAY NIGHT

Five persons were injured in two accidents on Adams County highways Tuesday evening.

Four of the injured were in a crash in the square at Biglerville at 10:40 o'clock and police said both cars involved were demolished.

According to state police Charles L. Griffie, 20, Gardners R. 2, was driving north on Main St. in Biglerville, "ran through" a red traffic light and smashed into an east-bound car operated by Harry Heller, 51, East York St., Biglerville.

Four To Hospital

The Griffie car then swerved up on the sidewalk in front of the Biglerville Hardware Store and the Heller car was driven about 60 feet further on the street.

Mr. Heller suffered fractures of the left fourth rib and the second right rib. Mrs. Heller had a contusion of the chest and fractures of the left fourth and fifth ribs. The couple was brought to the Warner Hospital here by a passing motorist.

Griffie suffered lacerations of the scalp, right eye and chin, a fractured nose and abrasions of the knee. He and a passenger in his car, Donald Wise, 17, Gardners R. 2, were brought to the hospital here in the local ambulance. Wise suffered lacerations of the scalp and chin and lacerations and contusion of the knee and a sprained left wrist.

Driver Dozes

Damage to Griffie's 1950 car was estimated at \$750 and to Heller's 1940 auto at \$125.

In the other crash, at 6:30 o'clock Tuesday evening, on the Lincoln Highway west of here, William H. Plank, 62, Gettysburg R. 3, suffered lacerations of the face when he drove off the highway and struck a tree. He was treated at the Warner Hospital. He was said to have "dozed off" and the car left the highway, hitting the tree about 35 feet from the berm of the road. Damage to the auto was estimated at \$400.

Biglerville High Alumni To Dance

On Thursday evening the Student Council of Biglerville High School will sponsor the fifth annual Alumni dance in the high school gymnasium. The dance will begin at 8 and end at 11 o'clock. The high school dance band will furnish the music.

BIG PLANE HITS MOUNTAINSIDE; REPORT 7 DEAD

NEW HOPE, Ala. (AP)—A large Air Force plane—believed to be a Flying Boxcar—crashed into a mountain near here today and reports were seven occupants were killed.

The fatality report came from a source which could not be quoted directly.

At least three occupants were reported to have survived the crash in drizzling, murky weather on Shin Point about four miles south-east of Paint Rock.

Saw Some 'Chutes

Mrs. Will D. Davis, who lives on a farm near Shin Point, said she and her husband were in their barn about 7:30 a. m. when "I heard a terrific roaring."

"I ran outside and saw a flame from Shin Point that lit up the whole sky," she said.

"I'm pretty sure I saw several parachutes and a lot of debris in the air," she added.

Reports from the scene still being checked said six dead servicemen were in the plane, and one was found alive. Two bodies were reported found hanging in trees, and there were reports others had parachuted.

ARMY TO SLASH 100,000 IN '56

WASHINGTON (AP)—The Army is moving to trim down its size by taking in fewer new men, culling out some officers and shortening slightly the active duty terms of some draftees.

The administration announced last week that the Army had been ordered to reduce its strength by 73,000 more men than had been planned by next June 30, and by an additional 100,000 by mid-1956.

Army officials said today they still are working on a program to bring about these reductions in an orderly way.

The Army's first move was to cut the February draft call to 20,000, which had been fixed earlier, to 11,000. The Pentagon said draft quotas of about that size would continue at least through June.

Cut Draftees' Terms

Terms of some draftees, all of whom were called up for 24 months, will be shortened.

According to present thinking, no draftees will be forced out ahead of time, but present plans call for the release next May of draftees who have completed 23 months' service and in June of those who have completed 22 months.

The Army also expects to raise its standards for the acceptance of volunteers and for soldiers who want to re-enlist.

The Navy and the Marine Corps, also involved in the manpower cut-back, but to a lesser degree than the Army, now plan no emergency action to meet their lowered strength levels. The Air Force will be increased slightly.

REVEAL PLOT TO SPLIT PARTY

BELGRADE, Yugoslavia (AP)—A government spokesman today accused some Roman Catholic and Serbian Orthodox clergymen of supporting a false one-time Yugoslav Communist leader in the hope he would split the party.

Support of this same man, former Vice President Milovan Djilas, brought down criminal charges yesterday against President Tito's biographer and wartime Partisan friend, Vladimir Dedijer.

The Yugoslav secretary of interior, Svetislav Stefanovic, told Parliament today hostile groups, including "parts of the Roman Catholic clergy and some of the Serbian Orthodox clergy" had rallied around Djilas, who was ousted from his government and party posts for opposing policies of the Tito regime.

Stefanovic said the clergymen "misuse freedom of religion to promote political aims." He charged they had hoped Djilas could "provoke a crisis and a split in the Communist party."

Dedijer, a member of Parliament, was stripped of his parliamentary immunity yesterday so he could be tried on criminal charges of betraying his government and party through his impassioned support of Djilas.

Find New Use For Hard Coal With Rubber

PHILADELPHIA, Dec. 29 (AP)—A new use for hard coal, which is expected to aid Pennsylvania's ailing coal mining industry, was announced yesterday by the Anthracite Information Bureau.

The new product is a compound for battery cases and covers using 65 per cent anthracite. The rest of the blend is synthetic rubber.

Clarence P. Bowers, president of the Bowers Battery and Spark Plug Co., Inc., Reading, Pa., and the information bureau disclosed that three years' work had gone into the compound.

Seek Other Uses

Bowers termed the compound, "a more durable product."

"This new product will be a boon to the battery business as well as to the anthracite mining industry," Bowers said. "Our tests have shown that cases made of anthracite will withstand higher temperatures over a longer period of time."

Bowers said his research scientists and engineers are making tests for still more new uses for hard coal. He said state officials will receive progress reports.

Production of the new cases and covers started Dec. 1, Bowers said.

LICENSED TO WED

William A. Garner and Elizabeth Fitzgerald, Emmitsburg, have secured a marriage license in Frederick.

Ask Rayburn To Change His Mind

WASHINGTON (AP)—Radio and television correspondents on Capitol Hill say they will ask Rep. Sam Rayburn (D-Tex.), prospective speaker of the House next year, to change his mind about barring TV coverage of committee hearings.

In the past two years, Speaker Martin (R-Mass.) has left the decision on TV coverage to each committee. Rayburn, at his home in Texas, indicated yesterday he will reimpose a ban on such coverage which was in effect when he was speaker in 1949-53. House rules are silent on the point.

Richard Harkness, Executive Committee chairman of the Radio and Television Correspondents Assn., said the matter will be taken up informally with Rayburn when he returns to Washington.

TITO'S FRIEND UNDER ARREST FOR TREASON

BELGRADE, Yugoslavia (AP)—Vladimir Dedijer, former close friend and biographer of President Tito who has been accused of betraying his country, was unavailable to newsmen today. There was speculation that he may already be under arrest.

Parliament last night removed Dedijer's immunity as a deputy and ordered him tried on criminal charges. The motion was adopted unanimously amid applause from the chamber.

Foreign newsmen who went to Dedijer's home to hear his side of the story were turned away by security police. Although it was only 7 p.m., police said the husky 40-year-old veteran of partisan fighting against the Axis powers during World War II was asleep.

aces Four Charges

The official Belgrade radio said last night the Yugoslav Communist party's Central Control Commission has accused Dedijer of betraying the party and the country on four counts:

1. He cooperated with former Vice President Milovan Djilas in policies designed to divide the party. Djilas was ousted from his government and party posts in January.

2. He continued his "slandering" work after Djilas was removed.

3. He refused to accept the jurisdiction and competence of the party's Control Commission when called before it Dec. 15.

4. He furnished "false information" "slandering Yugoslavia" to the foreign press.

Conviction could lead to a prison sentence of six months to 20 years.

SAYS '56 HOPES MAY DEPEND ON BUDGET PLANS

WASHINGTON (AP)—Sen. Dworshak (R-Idaho) said today President Eisenhower's federal budget proposals next month may determine whether or not the Republicans win the 1956 election.

"The Republicans made a solemn pledge to curtail federal spending and balance the budget as soon as possible," Dworshak said in an interview. "This will be the last chance to do so before the voting in the 1956 election."

Secretary of the Treasury Humphrey said Dec. 6 it would not be possible to balance the budget in the fiscal year starting July 1. He did not forecast the prospective deficit.

Another Call For Pruning

The most recent estimate for the year which ends next June 30 is that the government will wind up about 4 1/2 billion dollars in the red. That would compare with 3 billions and 9 1/2 billions in the two previous years.

Dworshak, a member of the Senate Appropriations Committee, said he is confident a balance could be reached next year "without impairing our national security and preparedness or curbing necessary federal services and functions."

A similar call for pruning out all unnecessary spending came yesterday from Rep. Cannon (D-Mo.), who will be chairman of the House Appropriations Committee in the new Congress.

Cannon, in a statement dictated from his home in Missouri, said all budgets are "compromises and can be cut, and certainly the situation today demands minimum expenditures and elimination or reduction of every dispensable item."

GIARDELLO IN TROUBLE AGAIN

PHILADELPHIA (AP)—Middleweight Joey Giardello had another brush with the law yesterday, on the eve of a hearing to determine if his boxing license will be suspended.

Together with his brother, the top ranked contender for Bobo Olson's crown was arrested and charged with disorderly conduct. Both cases were dismissed but Magistrate Elias Myers told Giardello:

"Joe, I never saw anyone who threw a million dollars away before. You're discharged." The magistrate inferred that Giardello was tossing away his career because of his arrests.

Today, Giardello goes before the Pennsylvania Athletic Commission in a hearing to determine if his license will be suspended. The suspended for alleged conduct detrimental to boxing after he was charged with assault and battery recently. It withdrew the suspension on a court order which directed that Giardello be given a hearing first.

UN SECRETARY OFF THURSDAY ON MERCY TREK

UNITED NATIONS, N.Y. (AP)—Dag Hammarskjold's U.N. mission to Red China—seeking freedom for 11 U.S. fliers and other U.N. personnel held captive there—gets underway tomorrow afternoon.

Accompanied by a top political adviser and other aides, the U.N. secretary general will board a Super Constellation of the U.S. Military Air Transport Service at New York.

Stopping en route in London and New Delhi, Hammarskjold plans to confer with British Foreign Secretary Anthony Eden and India's Prime Minister Nehru before he meets Red Chinese Premier Chou En-lai in Peking.

Returns January 15

He expects to arrive in Peking by Jan. 4 or 5, traveling from London a British government aircraft to New Delhi and by Indian government plane to Canton.

Hammarskjold has told correspondents he wants to be back at U.N. headquarters by Jan. 15.

Ahmed Bokhari, former head of Pakistan's U.N. delegation, is accompanying Hammarskjold as political adviser. Bokhari's new appointment as undersecretary in charge of the U.N. Information Department becomes effective Jan. 1.

Hammarskjold is making his trip under a mandate from the U.N. Assembly directing him to use "unremitting efforts" to secure the release of the 11 airmen and other U.N. personnel.

NEW YORK STOCKS

NEW YORK (AP)—The stock market raced ahead today with buying so heavy that price reporting facilities were swamped.

Gains went to between \$1 and \$2 a share with great frequency. Losses were few.

Right after the opening, the ticker tape was as much as four minutes late in recording the actual transactions on the floor of the New York Stock Exchange. The congestion lasted most of the first hour, the longest such period this year.

KILLED IN CRASH

NEW YORK (AP)—A man identified as Joseph Watkins, 27, of Philadelphia was killed early today in an automobile accident in the Bronx.

Adrian Carter, 28, of Darryl, Pa., was injured when the car in which the men were riding and a heavy trailer truck collided.

"THOUGHTS FOR YOU"

I'm lost, my darling, when I leave . . . the warmth of your caress . . . like driftwood on the rolling sea . . . my heart feels but distress . . . without the touch of your sweet lips . . . life loses all its bliss . . . it seems like I am just a slave . . . to your endearing kiss . . . far from your side is far from joy . . . that's why I want you near . . . you only have to hold my hand . . . to make the stars appear . . . to be with you, my dearest one . . . is to be most content . . . for love like yours is wonderful . . . and truly heaven sent . . . and so I write what's in my heart . . . to show how much I care . . . and just to say I'm thankful for . . . the love you let me share.

Mrs. Malcolm Hess, E. King St., was hostess to the Tuck-a-Batch Sunday School Class of St. John's Lutheran Church when a Christmas party was held in conjunction with the monthly meeting on Tuesday evening. Eleven members and two visitors were in attendance. The program opened with the group singing of carols. Prayer was offered by Mrs. William C. Karns, followed with the Scripture, Luke 2:40-52, read by Mrs. Joseph Selby.

Routine business was conducted in charge of Mrs. Karns, vice

president. Reports were heard from Mrs. Joseph Selby, secretary and Mrs. George W. Strevig, treasurer. The birthday of Mrs. Strevig was noted. Mrs. Selby and Mrs. Strevig were appointed to be in charge of the entertainment for the next meeting on Tuesday, January 25, at the home of Mrs. W. C. Karns, W. King St. During the social hour, gifts were exchanged and refreshments served.

Rotary Meets

The Rotary Club bulletin was discussed at the weekly meeting of the Littlestown Rotarians on Tuesday evening at Schottie's Hotel. Cloy I. Crouse, chairman of the club service committee, in charge of the evening's program, presented Lloyd L. Stavelly, editor of the local bulletin. Mr. Stavelly read excerpts from bulletins published by other Rotary groups and also showed several of the excerpts on the screen. Group singing was led by the Rev. David S. Kammerer. Carl F. Hermann introduced one visiting Rotarian, the Rev. Dr. Nevin R. Smith, Hanover, who offered the invocation. Paul E. King introduced his guest, his son, Lt. Robert D. King, and Nevaeh A. Crouse introduced his guest, James Zimmerman, of West Chester, Ill.

A club assembly will be held at the meeting next Tuesday at 6:15 p.m., and the club service committee will be in charge of the program. A skit will be presented at the meeting on January 11, in charge of the vocational service committee, Clarence Reck, chairman.

A covered dish supper and Christmas party will be enjoyed by the members of the Ladies' Aid Society of St. John's Lutheran Church and their families, on Thursday evening at 6:30 p.m., in the church social hall. Gifts will be exchanged by the group. Each member is asked to take an item for the meal.

SENATOR MORSE WILL FIGHT FOR \$1 MINIMUM

WASHINGTON (AP) — Sen. Morse (Ind-Ore) predicted today that Congress next year will boost the 75-cent hourly minimum wage and said he will fight for an increase at least to \$1.

He said in an interview he will seek also to have the Fair Labor Standards Act applied to all American workers. Many are now exempt, including all those whose jobs do not directly involve interstate commerce. About 24 million workers are covered.

Secretary of Labor Mitchell has come out for an increase in the minimum wage. Some congressional sources said today they expect President Eisenhower to ask Congress to raise the 75-cent minimum fixed in 1949 and to broaden coverage. These sources said the proposed increase might be to 85 or 90 cents an hour, just about compensating for a 12.9 per cent increase in the cost of living since 1949.

Morse said three major factors call for a minimum wage boost: (1) low-wage families need help in meeting a cost of living level near its peak, (2) an increase would spiral through the economy and thus "broaden the purchasing base of American consumers" and

(3) a higher figure would be "a demonstration of the strength of the capitalistic section of the world in advancing the welfare of the individual."

RECORD 20 QUAKES
PASADENA, Calif. (AP)—California Institute of Technology recorded 20 major earthquakes this year. Dr. Beno Gutenberg, director of the seismological laboratory, and Dr. Charles Richter, professor of seismology, say this was an average year for earthquakes.

Often pictured as seemingly endless waves of sand, the surface wasteland of northern Africa is actually more often made up of loose gravel or windswept rock. Both infant and maternal mortality rates continued to decline in 1954 to new low levels.

ST. JOHN'S UNIT IS ENTERTAINED

Members of the Christian Endeavor Society and young people of St. John's Lutheran Church held a covered dish supper and Christmas party on Monday evening in the church social hall. Mrs. George Trump was chairman of the committee in charge of the supper.

Following the meal, a program was presented including group singing of carols; piano duo, John Groft and Gary Strevig; piano solo selections by Melinda Karns, Susan Strevig, Mary Rohm, Janice King, Nancy Trump, Kathy Miller; vocal duet, Linda and Joyce Strevig; vocal solo, Ronald Strevig; film strip, "O Holy Child of Bethlehem," shown by John Groft. Group games were played and gifts exchanged. The program was arranged by the pastor, the Rev. William C. Karns. The social room was decorated for the holiday occasion by Joanne Hollinger, Charolyn Groft and Linda Strevig.

Joanne Hollinger was leader and discussed the topic at the regular meeting of St. John's C. E. Society on Sunday evening. The program opened with a hymn, roll call, offering, C. E. pledge and Scripture read by Jerrietta Hollinger. Prayer was offered by the leader. Gary Strevig was selected to be the leader for the meeting next Sunday at 6 p.m. The program concluded with the C. E. pledge repeated in unison.

Change Rehearsal Date

The Senior Choir of St. Paul's Lutheran Church will rehearse this evening at 7:30 o'clock, instead of Thursday as previously announced.

"The Right Way Ahead" was the subject of the topic discussed by Marietta Weikert at the meeting of the Christian Endeavor Society of St. Paul's Church on Sunday evening. Susan Baumgardner read the Scripture and prayer was offered by the pastor, the Rev. David S. Kammerer. Miss Baumgardner will be leader for the meeting next Sunday at 6 p.m.

Mrs. Edgar Pfeiffer, Cemetery St., will be hostess to the Starr Bible Class of St. Paul's Church on Thursday evening, 7:30 p.m. The annual exchange of gifts will take place. Assisting Mrs. Pfeiffer as hostess will be Mrs. William H. Dixon, Mrs. Paul Scheivert, Mrs. George Stover and Mrs. Ralph DeHoff.

Council Orders Deep-Well Pump Installed At Sneeringer Quarry Well To Add To Town Supply

Plans were furthered to supplement the Littlestown water supply at the December meeting of the Littlestown Borough Council Tuesday evening, held in the office of the borough secretary, Roger J. Keefer, North Queen St.

Preliminary plans for the pumping station, which will be located at Sneeringer's Quarry, will be drawn by LeRoy H. Winebrenner, Gettysburg, and submitted for approval to the Pennsylvania Department of Health. During the last month, a six-inch and a ten-inch test well have been drilled at the quarry and showed an adequate water supply.

The council voted to go ahead with plans to erect a building for the pump and make inquiries concerning meters and a chlorinator satisfactory for the job.

After several bids were read, the council decided to have a Deming deep-well pump installed by Vernon C. Reaver, Littlestown, for \$2,967.50. The work on this project will begin in approximately two months. The Deming vertical, water-lubricated, deep well turbine type pump will deliver 350 gallons per minute.

The Tuesday meeting was in charge of James V. Yingling, president.

OK Bank Addition

Building permits were granted to A. J. Bedford, 105 N. Queen St., Littlestown, to excavate or remove three shade trees at his property and to I. H. Crouse, Lumber St., to construct an 18x28-foot concrete block marble and brick, built-up roof, one-story addition to the Littlestown State Bank, S. Queen St.

Councilman Charles M. Frock, chairman of the Street committee, announced that work on the streets of the community had been completed. Rough surfaces on S. Queen St. and in the alley between Lumber and E. King Sts., near the power plant, were reported and steps taken to correct them. Boulders extending onto Delaware Ave. were discussed and the council made plans to check the situation. Stones will be placed on Rita Marie Ave. to correct the muddy condition.

The yellow line on the north side of E. Myrtle St., at the Bedford property, will be extended 35 feet to eliminate traffic congestion. The council will also check the meter at the intersection of Lumber and S. Queen St. It was reported that this meter was too close to the intersection and cars parked there obstruct vision.

\$500 Retainer Fee

Bids will be received for the purchase of new commodore and basins for the Alpha Fire House.

A retainer fee of \$500, \$250 for water and \$250 for sewer, will be paid to Albright and Friel, Inc., consulting engineers, the council

Class of Grace Lutheran Church, Two Taverns, and their families will be held on Thursday evening at 6 o'clock in the parish hall.

DR. SHEPPARD MARKS BIRTHDAY IN OHIO JAIL

CLEVELAND (AP)—Today is the 31st birthday of Dr. Samuel Sheppard.

A week ago yesterday—on the fifth day of deliberations—seven men and five women jurors, in their first unanimous decision, agreed the youthful, athletic osteopath had clubbed to death his pregnant wife Marilyn.

Less than five hours later the jurors determined the degree of the crime, finding him guilty of murder in the second degree.

Within a few minutes, a judge sentenced Sheppard to life imprisonment, which could keep him behind bars until his 41st birthday, while serving the 10-year minimum term for parole eligibility.

Tomorrow his attorneys, in a motion for a new trial, will seek to overturn the jury's verdict, reached 102 hours after the state and defense rested their cases. The trial began October 18.

Jurors Tell Story

Part of the story of what occurred during the seemingly endless hours in the jury room was disclosed last night by four Sheppard jurors in statements to the Cleveland Plain Dealer.

Also present was LeRoy Webrenner. The next meeting of the council will be held January 25.

TWENTY-FIVE YEARS AGO
Two Lodges Hold Banquets: St. John's Day was appropriately commemorated by Good Samaritan Lodge 36, Free and Accepted Masons of Gettysburg, with a dinner at the Hotel Gettysburg, Friday evening. One hundred and twenty six persons were in attendance.

D. C. Jacobs of Arendtsville, was the principal speaker. I. L. Taylor, Carlisle St., was toastmaster.

Fifty members and guests of King Hiram Lodge, No. 80, Ancient Free and Accepted Masons of Gettysburg, attended the annual banquet of their lodge at the Blue Parrot tea room Friday evening.

Joseph D. Kendeheart, retiring worshipful master, was toastmaster.

Local Girl Is Married Christmas: Miss Ruth A. Stallsmith, daughter of Mr. and Mrs. George W. Stallsmith, East Middle St., and Frank M. Shambaugh, son of Mr. and Mrs. C. H. Shambaugh, Reisterstown, Maryland, were married at 9 o'clock Wednesday morning at the parsonage of St. James Lutheran Church, the Rev. Earl J. Bowman officiating.

The couple will reside in Lancaster.

Local Residents At Reception: P. W. Stallsmith and his daughters, The Misses Elizabeth and Martha Stallsmith, and Roy P. Funkhouser were among the guests at a reception for President Pascual Ortiz Rubio, of Mexico, at the Mexican embassy, Washington, D. C., on Saturday evening.

County Couple Wedded Thursday: Mrs. Jennie Starry, Huntington township, has announced the wedding of her daughter, Miss Ivory Pauline Starry, and Edward S. Taylor, son of Mr. and Mrs. Dennis Taylor, of Bendersville. The ceremony was performed at 11:30 o'clock Thursday morning at the parsonage of the Methodist Episcopal Church, York Springs, the Rev. S. J. Pittenger officiating. Mr. Taylor is employed at the silk mill here.

Weddings Are Solemnized: Miss Sarah Reigle and Edward J. Staub were married Christmas eve at 6 o'clock at the home of the bride's parents, Mr. and Mrs. George Reigle, near Arendtsville, the Rev. George B. Ely officiating.

Tuesday at 7 p.m., in Springdale, Miss Ruth Rauscher, Chambersburg, became the bride of Arthur Taubman, son of W. A. Taubman, York St. The Rev. Charles Baker officiated at the ceremony.

Legion Honors John Hartman: John W. Hartman, former sheriff of Adams county, and World War veteran, whose death last Thursday afternoon was attributable to his being gassed overseas, was accorded the honors of war by his comrades in arms at funeral services Sunday afternoon.

The services were held at the Hartman home on Hanover St. Interment was in Evergreen cemetery. The Rev. Earl J. Bowman officiated.

The Legion conducted its committal services at the grave and a firing squad in charge of William G. Weaver fired three volleys, after which Walter Swisher blew taps. Pallbearers were Commander John P. Butt, Harry Troxell, Joseph E. Codori, Howard Diehl, E. E. Power and Charles J. Myers. Members of the Gettysburg lodge of Elks attended the services in a body.

Double Wedding Here Saturday: Harry Clayton Warren, of Fountain Dale and Miss Alice Amanda Moser, of Sabillasville, Md., and Floyd Lee Harbaugh, of Fountain Dale and Miss Marie Viola Warren, of Fountain Dale, were united in marriage at a double ceremony performed at Saturday afternoon at 3:30 o'clock at the parsonage of St. James Lutheran Church by the Rev. Earl J. Bowman, pastor.

Today's Talk

CURATIVE POWER WITHIN
Each one of us may well become our own physician. The late Dr. John Harvey Kellogg, who made the Battle Creek Sanitarium famous, once said this: "The power in which we must have faith if we would be well is the creative and curative power which exists in every living thing."

There are fears, regrets, and resentments people harbor in their minds that are like the termites that eat into homes and eventually cause great destruction. We have it within ourselves to conquer these fears, regrets and resentments. The most valuable remedy for sleeplessness is a quiet and untroubled mind.

Have you ever seen a picture showing the intricate nervous system of the human body? What a thing of God it is. No wonder there is serious trouble when these nerves are abused. Be kind to them and they will be kind to you.

The power of the human mind over the body is recognized by but a very few. Many of the ills of the body are easily cured. Health is a natural thing, not just something you try to buy from a medicine man. Our thoughts influence everything we do and they, in turn, are influenced by all that we see, read and experience. We hardly tap our potentialities. Only in dire emergencies do some people rise to the full height of their inherited power.

Shakespeare put a world of meaning in these lines from his Julius Caesar: "The fault, dear Brutus, is not in our stars, but in ourselves, that we are underlings." How do any of us know either our power or influence until we put ourselves to the test? Many years ago a Frenchman by the name of Dr. Coue came to America, after having gained great fame at home merely by suggesting that everyone repeat a dozen times a day this line: "I am a healthy, happy human being." It's still a good idea.

Tomorrow Mr. Adams will talk on the subject: "A Great Institution"

OLD HAT
This is not a common hat. Though it's older than many. Since I first appeared with that. It has cost a pretty penny.

Time has left its ribbon frayed. Wind and rain have almost wrecked it. But with cash for it I've paid everywhere that I have checked it.

When it first was new and nice. Even with a box to hold it. Fifteen dollars was the price. Said the smiling clerk who sold it.

Though it's shabby now and flat. If you should be interested. Let me tell you in that hat. Ten times more have I invested.

Just to hang it on a rack. Though it's old and weather-beaten. I have to buy it back. Everywhere that I have eaten.

ASSEMBLY IS PLODDING TO DECISIVE VOTE IN PARIS TODAY

PARIS (AP)—The French National Assembly plodded reluctantly today toward its decisive votes on West German rearmament.

Premier Pierre Mendes-France was expected to win, but by even narrower margins than Monday's 289-251 ballot to admit the Bonn government into NATO.

Climaxing four years of debate and delay, the deputies gathered to give their final say on the last two of the interlocking Paris agreements enlisting 500,000 West German troops in Atlantic defense.

Confidence Issues
Mendes-France made both votes confidence issues, staking his government's life on their outcome. Actual balloting was not expected to start until tonight.

The key vote was on ratification of the treaty admitting West Germany and Italy into the new Western European Union, along with France, Britain, the Netherlands, Belgium and Luxembourg. This pact—the one which actually spells out German rearmament—was defeated on its first reading in the Assembly last Friday. Mendes-France then brought it up again as a new bill.

The second ballot was set on the question of admitting West Germany into the North Atlantic Treaty Organization. The deputies approved this treaty's separate articles Monday night but its ratification as a whole also was required.

Expects Victory
Political observers predicted Mendes-France would win about 270 votes on both issues. Enough deputies in the 627-seat chamber were expected to abstain to give him victory.

The Assembly already had approved the other two key Paris agreements. A pact restoring German sovereignty was accepted 380-80 last Friday. The same day the Assembly okayed 368-145 the French-German accord on the future of the disputed Saar. The deputies also ratified 517-100 a companion convention on the stationing of foreign troops on German soil.

Calls McCarthy Scolding Big Deed

WASHINGTON (AP)—Sen. Fulbright (D-Ark) ranks the condemnation of Sen. McCarthy (R-Wis) as the Senate's "greatest single accomplishment during 1954."

"That action had the effect of restoring the confidence of our people in themselves and in our democratic institutions," he said in an interview today.

Fulbright, one of the leaders in the move to censure the Wisconsin senator, said a general feeling of confusion and fear had arisen in the country but was dispelled by the Senate's action.

"Why," he said, "it had gotten to the point where people were suspicious of their schools, mistrustful of religious leaders and had no confidence in government officials. Those are the very foundations of our democracy."

SOLVE MYSTERY OF DEAD OCTOPI IN W. VIRGINIA

GRAFTON, W. Va. (AP)—Grafton folks felt mighty relieved today now that somebody has come up with a sensible explanation about how that octopus (and also a second octopus) happened to turn up in the hills of West Virginia.

Four small boys found that octopus (and also a second octopus) in a stream here Monday. They were fairly good-sized creatures—measured some 36 inches from tip to tip.

It was a frightful find—even if they were dead—and it had people around here wondering.

But a supermarket man said he could guess where they might have come from. Maybe some gourmet lost his nerve.

The store had received and sold all but one of a pre-Christmas shipment of a frozen octopus (and several others).

With such sources as the American College dictionary giving approval to both of those silly looking plural forms—octopuses and octopi—a man should not be required to write a story about more than one octopus at a time.)

3,450 Strikes In U.S. During 1954

WASHINGTON (AP)—This has been one of the most tranquil years in post-World War II labor-management relations, the Labor Department said today.

The department said a survey showed an estimated 3,450 strikes began in 1954, just a few above the 1948 postwar level of 3,419 and about 40 per cent under the 5,117 work stoppages recorded in 1952.

The 1954 strikes, the department said, idled 1½ million workers for an estimated 22 million man-days, fewer than in any year since World War II. In the record postwar year of 1946, 4,600,000 workers were idled by strikes for 116 million man-days.

BUSINESS MAY COME IN FOR BANK LOANS

By SAM DAWSON
NEW YORK (AP)—Businessmen may start trekking back to the banks again for loans of old-time volume. Bank loans to business and industry are usually cited as one barometer of economic activity.

The Federal Reserve Bank of Cleveland says today that "the forces which produced the marked sluggishness of business loans during 1954 may be near an end."

The bank says the sluggishness was chiefly confined to some industries — metals and metal product manufacturers, sales finance companies and public utilities.

See Normal Trend
Except for these, the bank notes, "the recent trend in business loans might have appeared normal or even stronger than normal."

Inventory liquidation and the drop in defense orders are usually cited as the reasons the metals industries stopped borrowing and repaid old bank loans instead.

There are signs now that inventory trimming is about over and the decline in defense spending has flattened out.

Borrowing by sales finance companies hit a peak around the middle of 1953 and has declined since. Slower auto sales were one reason.

The spurt in buying of the new model cars may soon increase the need of sales finance companies for loans from banks.

Loans Increase

Public utilities' need for bank loans has declined from its peak in June of this year. Much of the borrowing before that was traced to the big spurt in expansion of their facilities sparked by the Korean War needs.

But in other areas of the economy, the Cleveland bank points out, there has been the usual seasonal pickup in bank loans since June 30.

Loans to commodity dealers have increased by almost 400 million dollars since midyear. The food, liquor and tobacco industries have gone to the banks for funds after their usual habit of borrowing to handle the crops and increase production schedules in the fall.

Wholesalers and retailers also borrowed in their usual seasonal volume to prepare for the Christmas selling spurt, which came along gratifyingly as they had hoped.

Nylon was the first synthetic which showed promise as a textile fiber.

Nab Beer Drinking Horse In W. Virginia

ST. ALBANS, W. Va. (AP)—Police arrested a beer-drinking horse and its owner here Monday when both were seen weaving down the street near a tavern.

Homer Carpenter, 50, of the Two and Three-Quarter Mile Creek area, was jailed. His horse was taken to the city garage. Police said both were intoxicated and Carpenter admitted giving the wobbling legged horse "about two quarts of beer."

Carpenter paid his fine yesterday, picked up his sobered horse and departed.

Sen. McCarthy Calls 16 For Next Monday

WASHINGTON (AP)—Sen. McCarthy (R-Wis), in a switch of plans, says he has summoned 16 persons to testify publicly Monday about alleged Communists in defense plants.

Over the weekend, McCarthy had said he planned no more hearings before turning over chairmanship of the Senate Investigations subcommittee to Sen. McClellan (D-Ark) when the new Senate meets next Wednesday.

But yesterday he said there would be hearings Monday, dealing with "Communist penetrations in General Electric plants in New England, Westinghouse Electric in Pittsburgh and Allis-Chalmers in Boston."

Ex-Substitutes Welsh And Day May Decide Sugar Bowl Contest

NEW ORLEANS (AP)—Both were substitutes when the football season started in September but come Saturday the outcome of the annual Sugar Bowl game may be decided by the play of either Navy quarterback George Welsh or Eagle Day, the Indian who directs Mississippi.

The quarterback job in the gridiron machine built by Coach Eddie Erdelatz was up for grabs when the Midshipmen started practice in September. John Weaver, a senior, received most attention. Before the sailors had a full head of steam, Welsh was doing the signal calling and Weaver was the regular left halfback.

Day, one-fourth Cherokee Indian, still isn't the starting field general for Coach Johnny Vaught's Southeast Conference champions but he's the player who gives the team its verve and dash.

Erdelatz is satisfied with the 162-pound Welsh and approves the daring shown by the junior from Coaldale, Pa.

Buckeye Band Arrives
PASADENA, Calif. (AP)—The Midwest caravans of fans started arriving today as Ohio State and Southern California gridders tapered off for Saturday's 41st Rose Bowl game.

The 140-piece Buckeye band was due today. Also two trainloads of OSU alumni and the wives of 12 Ohio football players.

Coach Woody Hayes booked his Ohio Staters for a morning practice session, and Jess Hill of Southern Cal had his boys slated for an afternoon workout.

West Not Ready
SAN FRANCISCO (AP)—Coach Lynn (Pappy) Waldorf said today he was far from satisfied that his West team was ready for the Shrine charity football game against the East here Saturday.

The East head coach Eddie Anderson of Holy Cross was all smiles. "We are further advanced than we were at this time last year," he said.

The West won last year 31-7.

The East team worked out yesterday morning and afternoon and elected co-captains, Tom Bettis, 200-pound guard from Purdue, and Dan Shannon, Notre Dame's 200-pound end.

Brooks Vs. Brooks
DALLAS (AP)—The big individual duel of the Cotton Bowl will be won by a fellow named Brooks.

William (Bud) Brooks is the power of the Arkansas line—the first All-America football player in the school's history.

Franklin Brooks is the anchor of the Georgia Tech line.

They have the same name and both play guard and much of the

time they'll be smashing at each other in the Cotton Bowl battle here Saturday.

MIAMI, Fla. (AP)—Rival Orange Bowl coaches Bill Murray of Duke and Bill Glassford of Nebraska planned only one workout for their squads today and took time out to attend the Orange Bowl's kickoff luncheon before going to the practice field.

CANNER QUINT BOWS TO GRADS AS GIRLS WIN

Tabbing 32 points in the third period, the Alumni cagers handed the Biglerville High varsity its sixth loss in seven starts Tuesday evening 65-41.

The Alumni got off to an 18-9 lead in the first period and led the whole way. Wayne Gules and Terry Hutton contributed 14 and 12 points to the grads' cause while Nevin Frantz topped the varsity with 17.

The Biglerville girls opened their campaign by registering a 49-33 victory in the preliminary as two sisters sparked their respective teams. Joan Geiselman led the varsity with 21 points while Barbara Geiselman tabbed 15 for the Alumnae.

The Biglerville boys will be host to New Oxford next Tuesday as the Adams County League swings into action.

Seated, left to right, Cloyd Spence, Glenn Herring, John Wetzel, manager; Ira Herring, captain; Roland Keller and Jay Hershey.

Standing, Kenneth Biesecker, Carroll Spence, Eugene Kane, Jim Spence, Arthur Wetzel, scorer; William Singley and Donald Bucher.

Five members of the squad were unable to attend. Ralph Spence, outfielder, is now serving in the army. Others unable to be present were Clark Rebert, William Bucher, Marlin Fisel and Leroy Wetzel.

YORK SPRINGS TAKE TWO FROM ALUMNI CAGERS

The York Springs High School boys and girls swept a basketball double-header Tuesday evening in the annual meeting with the Alumni.

Pete Kemper's boys, in winning their fourth decision in nine starts, faced stiff opposition before emerging victorious 50-49. It was a nip and tuck affair all the way with the decision in doubt until the final whistle.

Bill Taylor and Charley Koons looped 17 and 16 points for the winners while Lehman and Lott connected for 11 and 10, respectively, for the Alumni.

The unbeaten York Springs girls defeated the Alumnae in the preliminary 38-26 for their fourth straight victory. Judy Weigle netted 24 points for the varsity while Wonders swished 11 for the Alumnae.

The York Springs boys will play at Newport Thursday evening.

BILLY SMITH, PAUL ANDREWS FIGHT TONIGHT

MIAMI, Fla. (AP)—Boardwalk Billy Smith, the Atlantic City ring veteran who has risen in a year from obscurity to top ranking among the light heavyweight title contenders, meets Paul Andrews tonight.

The International Boxing Club has promised the winner a title bout with champion Archie Moore Feb. 4 in Madison Square Garden.

Smith, who has won eight fights in a row, seven by knockouts, is a 2-1 favorite tonight.

CBS will telecast the 10-rounder at 10 p.m. EST.

Andrews had won four straight before clever Joey Maxim former light heavyweight champion, outboxed him Nov. 24. Andrews is rated fifth among the division contenders.

The odds favoring Smith probably are based on the showings of fighters this year against Harold Johnson, the No. 3 contender. Smith knocked out Johnson in the second round-Oct. 8. Andrews lost a 10-round decision to Johnson March 17.

A veteran of 14 years of professional fighting, the 3-year-old Smith got nowhere until 1952, when he signed Sheriff Jerry Gormley of Atlantic County, N.J., as his manager.

Boardwalk's last beating was by Moore, who chased him out of the ring in the eighth round in 1951. After that poor showing, Smith quit fighting for 18 months, until Gormley took him under his wing. He hasn't been beaten since.

HENRY BREAM IS SPEAKER AT CLUB BANQUET

Members of the Cashtown Baseball Club and their wives and lady friends attended a banquet Tuesday evening at Bob's Diner, Aspers.

Henry T. Bream, athletic director at Gettysburg College, was the guest speaker. He congratulated the team on its fine season in the Pen-Mar League and stressed the strong finish of the team after losing four of its first five games. Cashtown finished second, defeated Blue Ridge Summit in a semi-final playoff series and then lost to Fairfield two games to one in the title playoffs.

Jay Hershey, a team member, presided as toastmaster. He introduced John Wetzel, manager, and Ira Herring, captain, who spoke briefly.

Hershey pointed out that Glenn Herring, catcher, was the most consistent hitter on the squad while Jim Spence and Eugene Kane were the top hurlers.

Twenty-one persons attended the affair.

Railroaders Will Ask Pay Increase

CLEVELAND (AP)—The Brotherhood of Locomotive Firemen and Enginemen will open wage talks with the nation's railroads in Chicago on Jan. 10, H. E. Gilbert, president of the 100,000 member union, announced today.

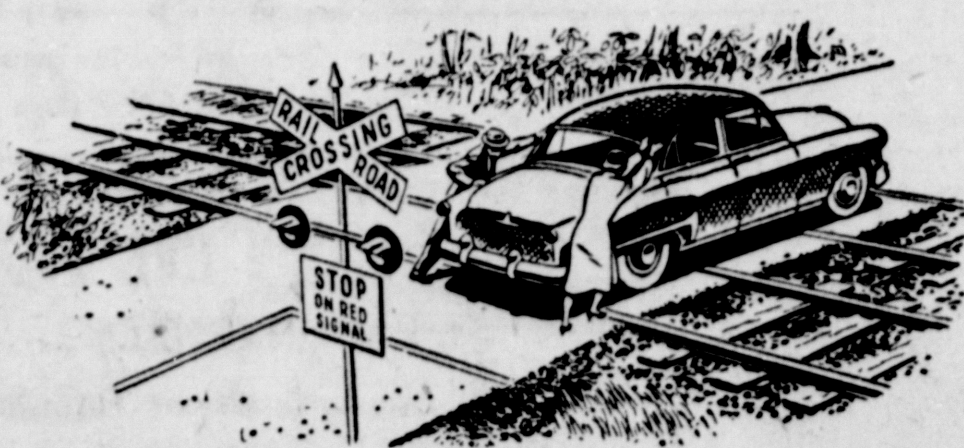

Gilbert said the union asks an increase of 28 cents an hour for men on a 40-hour, five-day week; minimum daily earnings of \$18 for firemen in road service, and a \$20 daily minimum for road engineers.

The union said men on a 40-hour five-day week now average \$19.85 per hour; the typical daily minimum for passenger firemen is \$13.84, and for road freight is \$15.68.

Providence, on the other hand, profited by the victory. The Reds entered the game tied for fifth, but now are tied for fourth with Hershey with 29 points each—seven points out of first.

Truckers Will Again Seek To Increase Gross Weight Limits On State Highways

By RICHARD L. GRAVES
HARRISBURG (P)—Pennsylvania trucking interests will renew their fight in the 1955 session of the Legislature to raise the gross weight limits of commonly used trucks.

Edward Gogolin, vice president and general manager of the Pennsylvania Motor Truck Assn., said his organization "will again do its best" to persuade the General Assembly to enact such a measure.

Bills to increase gross weight limits for trucks have been introduced in every Legislature since World War II. In 1951 a truck weight bill passed both branches but was vetoed by Gov. John S. Fine. The 1953 Legislature turned down a truck weight bill in the House.

Supporters of increased truck weights feel that prospects are better in 1955 than they have been for many years.

Are More Optimistic
Prime reason for optimism, they say, is the fact that Pennsylvania's major farm organizations, which have traditionally opposed any increase in truck weights, have withdrawn their opposition.

The Pennsylvania State Grange for years a vocal rural opponent to increased truck weights—formally withdrew its opposition at this year's annual convention.

The Grange, with a membership of more than 80,000, previously contended that increased weights would harm commonwealth roads.

In November the Grange also called for a weight-distance tax whereby truckers would pay a levy on their pay loads according to weight and the distance traveled.

PEASANTS WIN, AS SNOW WHITE GETS RE-WRITE

By TOM REEDY
BERLIN (P)—The cold war caught up today with Snow White and the seven dwarfs.

It started in the Soviet zone of Germany, where Communist producers at Greifswald rewrote the fairy tale and won high praise from the Russian literary monthly "Today and Tomorrow." The Soviet writer commented that the Grimm version needed certain changes and explained:

"Snow White should not be a member of the court, but must be presented as an outcast. She is being educated with the children of the castle janitor and is on very good terms with the farmers, who are actually revolutionaries. That's really why the queen hates her."

The revamped plot is based on social consciousness and the need for unseating feudal barons and dividing the land among the peasants.

"Thespian Shenanigans"
RIAS, the American High Commission radio in West Berlin, reported the East zone's thespian shenanigans and went on:

"This plot needs thickening, let us finish it."
The dwarfs, RIAS went on, are kept busy digging uranium. Their

weight limits of commonly used carriers be raised to 58,500 pounds. The commission said a nine-month study found that road damage "only comes from overloaded axles, not from higher gross weights when the load is properly distributed."

The commission recommended higher fines for violations of truck weight laws. The proposal was incorporated into the measure defeated by the House.

The Joint State Government Commission is working on research to determine whether a ton-mile use tax could be economically operated in Pennsylvania.

Ex-Gov. Lodge To Be Ambassador To Spain

AUGUSTA, Ga. (P)—President Eisenhower said Tuesday he will send to the Senate in January the nomination of John Davis Lodge, retiring governor of Connecticut, to be ambassador to Spain.

Lodge will succeed Ambassador James Clement Dunn.

The President said he would nominate Dunn as ambassador to Brazil, succeeding Ambassador James S. Kemper, who is retiring to reenter business.

home is "a grotto of peace" with seven white doves sitting on seven little white beds. Miniature copies of the works of Stalin are placed on seven night tables.

The wicked Queen poisons Snow White with tainted canned goods from the United States. A People's Police commissioner, in search of potato bugs dropped onto the crops by foreign enemies, finds Snow White in her glass coffin and liberates her. She leaps out, shouting "friendship" and the dwarfs join in until the cries of joy are heard in the Urals.

RIAS concludes:

"And then the young couple went back to the fatherland of all working people. If they have kept to the party line, they are still alive."

WEST GERMAN COMMUNISTS HOLD MEETING

HAMBURG, Germany (P)—West Germany's midge Communist party, imperiled by a government suit to outlaw it as unconstitutional, opened its first public convention Tuesday since 1952.

Nine hundred delegates assembled in the convention hall at Hamburg's garden exhibition grounds. But Chairman Max Reimann and most of the nine-man party secretariat were absent. Reimann fled to the Soviet zone last summer to escape arrest on a charge of plotting to overthrow the Bonn government. Other leaders also are wanted by West German police.

In a statement published Tuesday in the Cominform Weekly, Reimann urged a critical review of the party's mass indoctrination work "to uncover serious weaknesses and shortcomings." He called on "all peace-loving and patriotic people to form a fighting front against the Paris treaties" for German rearmament.

Displays Order

One purpose of the rally was to

display the "democratic internal order" of the party as required by the federal constitution. This includes public election of a chairman and executive committee.

In an initial address, Executive Committee member Willi Mohn urged that the "fight against militarism" be stepped up in view of the French Assembly vote supporting German admission into the North Atlantic Treaty Organization.

He also said the Communists should increase their efforts in youth indoctrination.

Former Woman Publisher Expires

RICHBORO, Pa. (P)—Funeral services will be held today in Berwick for Mrs. Annie Potter Trescott, 88, a former type setter for the first daily newspaper in Bloomsburg.

Mrs. Trescott died Sunday at the home of her son, Paul, in this Bucks County community.

Mrs. Trescott, who worked in Bloomsburg during the trial of the Mollie Maguires, moved to Millville, Pa., in 1887, where her father, G. A. Potter, started a weekly newspaper, the Tablet. She published the paper after the death of her father until 1918.

Burial will be in Millville.

Two 9-Year-Old Boys Drown In Creek

PHILADELPHIA (P)—Two nine-year-old boys drowned after they fell through ice on Pennypack Creek on Monday despite the efforts of a 13-year-old lad to save them.

The victims were Leo J. Savage Jr. and Richard McElroy, both of Philadelphia. They had been playing cowboys with new Christmas pistols and holsters.

Frank O'Neill said the boys grabbed him around the shoulders after he jumped into the creek to aid them but slipped back into the water as he managed to crawl back onto the ice.

Fairmount Park guards recovered the bodies after three hours of dragging the water, 6 to 10 feet deep at the point of the drownings.

Next time you bake potatoes, put some extra ones in the oven so you can use them for another family meal. Peel the cold baked potatoes, dice and add to well seasoned medium cream sauce; heat on top of the range. Sprinkle each serving with paprika and accompany with browned fully-cooked pork sausage links, a cooked vegetable such as peas or snap beans or a tossed green salad. Delicious for a quick lunch or supper!

ADVERTISE IN THE TIMES

REDS MAY FREE THREE YANKS

VIENNA, Austria (P)—Newly returned German prisoners of war said Tuesday three Americans previously reported held by the Russians were now at a Soviet camp used as a discharge center. This suggested the Americans might be due for an early release.

The three are William T. Marchuk of Brackenridge, Pa.; John H. Noble of Detroit; and William A. Verdone of Starks, La.

The former German prisoners were among 55 persons released by the Russians on Christmas eve. They arrived in Vienna Tuesday and told newsmen the three Americans were all in good physical condition at Camp Potina, 280 miles east of Moscow.

First word that the Americans were being held came from other released prisoners last year. U.S. Ambassador Charles E. Bohrer made several inquiries—the latest in April—about the three but met with no official response.

Most of the prisoners arriving today were ethnic Germans from Yugoslavia. They were returned to Austria because they have relatives here.

THE NATION'S LEADING GROCERS

American industry, besides being on the manufacturing end of things, provides some of the finest travel attractions in the country. Take the Ford Motor Company, for instance. Its business is building automobiles. But the Ford Rotunda, at the company's headquarters in Dearborn, Michigan, annually attracts a million and a quarter visitors from all corners of the globe. And that's just about as many as visit Yellowstone Park. True enough, the Rotunda has no steaming geysers. Yet as the "Showplace of the Auto Industry," it is the largest industrial exhibit building anywhere.

Animated Exhibits
It is a futuristic kind of structure, towering, gear-shaped, with the visitor entering on a curved ramp and stairway of white marble and concrete. Its exhibits for the most part are animated, designed to make creative research and engineering understandable to us all.

Its feature display, "The City of the Future," is a scale model concept of what life may be like in 50 years. This exhibit, with radar-directed traffic, moving monorail trains, elevated highways and a helicopter in flight, was seen near the end of the recent TV extravaganza celebrating the 75th anniversary of light.

Throughout the year, the Rotunda's regular features are supplemented by timely, special exhibits, such as last summer's travel display, produced with the cooperation of the Automobile Club of Michigan, the AAA's largest affiliate.

Principal attraction until the end of November was a one-company international automobile show, featuring Ford cars produced in this country as well as representative models produced by its subsidiaries and associated companies in a number of foreign countries.

"Christmas Fantasy"
The international auto show gave way after Thanksgiving to a seasonal "Christmas Fantasy," featuring live reindeer, animated elves building toys on a miniature assembly line and a Santa Claus with gifts for the children. On the first Sunday of last year's "Christmas Fantasy" more than 60,000 people came through the doors; by Christmas the total was nearly half a million.

Besides viewing the exhibits, visitors may attend free movies in the Rotunda theater, or take a ride in new model cars around winding "Roads of the World" — miniatures

More than just an attraction in itself, the Rotunda is also the starting point for a full day's sightseeing. Ford welcomes visitors on specially conducted tours of its vast River Rouge plant, tracing auto manufacture from raw materials to the amazing assembly line. And two miles west is Greenfield Village, which preserves many of the finest features of the industrial past and which, with its old homes, factories and shops, carries the visitor backward through time, just as the Rotunda, in contrast, wheels him forward.

Banker Admits Embezzling \$48,000; Lived Beyond Means

ALANTIC CITY, N.J. (AP)—The FBI says a tall and trusted bank official has admitted embezzling \$48,000—which went on "personal enjoyment, entertainment, and to meet social obligations."

And, the FBI says, 45-year-old Robert F. Johnstone "attributed his downfall to an effort to live beyond his means."

Johnstone, married, and the father of a son in college, fought hard to hold back his tears at his arraignment last night before U.S. Commissioner William E. Stringer.

MRS. GUISE IS ELECTED BY FIRE AUXILIARY

The Ladies Auxiliary of the York Springs Fire Company held a monthly meeting Tuesday. The group held a covered dish supper and gifts were exchanged. The business was conducted by the president, Mrs. Harry Guise, after which the report of the nominating committee consisting of Mrs. George Lay, Mrs. Wendell Lehman and Mrs. Nettie Bower was read.

Those nominated were elected as follows: President, Mrs. Harry Guise; first vice president, Mrs. Martin Dahm; second vice president, Mrs. Nettie Bower; secretary, Thelma Griffin; assistant secretary, Mrs. Stewart Guise; treasurer, Mrs. Wendell Lehman, and chaplain, Mrs. George Lay.

The members expressed their appreciation of the "unusual co-operation" of the nominating committee when they realized that each one had accepted a share of the responsibility of the Auxiliary for the coming year by accepting an office themselves. The Auxiliary voted to purchase paint to redecorate the kitchen and dining room hoping that men in the community will volunteer to do the painting. Anyone wishing to do so may advise the president. A committee consisting of Mrs. Harry Guise, Mrs. Wendell Lehman, Mrs. M. S. Hershey, Mrs. Martina Dahm and Mrs. F. E. Coulson were appointed to purchase additional kitchen equipment. The president called attention to the fact that dues are payable January 1 instead of July 1 and may be given or sent to the secretary. The president expressed her appreciation for the fine cooperation she received during the last year.

FBI Agent Harvey Foster said the \$48,000 was taken from the bank by Johnstone over a 10-year period. However, the charge last night dealt only with an alleged misappropriation of \$9,600 made the day before Christmas.

Further charges against Johnstone will be made to include the remainder of the \$48,000, said U.S. Atty. Charles H. Nugent.

Got In Deeper
Johnstone's story, according to Foster, painted a picture of a man who kept falling deeper into trouble after making an initial mistake.

The FBI agent said Johnstone first took funds from an account over which he had sole control in 1944. Then he began manipulating accounts and making false entries.

He went to work at the bank 24 years ago. He was made an assistant vice president and director of public relations in 1951.

Annual Salary \$7,000
Four years ago, Foster said, Johnstone found that his accounts were shy by \$20,000. He placed big bets at the nearby Atlantic City race track in a vain effort to recoup the money, Foster declared.

According to a reliable source who declined use of his name, Johnstone's annual salary—including bonuses—was \$7,000.

The bank official, who lived with his wife in a modest apartment in a suburban housing project, told federal authorities he had no assets of any value at present.

literally fell down on the job last year!

That's the number of workers who were injured or killed in falls at work in 1953. 2,500 of the injuries resulted in death and some 10,000 in permanent injury.

Falls also accounted for half of the 29,000 persons killed in home accidents in 1953.

If you're thinking about heading for Reno because your marriage is cracking up, you'd better think twice. You may crack up after you get there.

Nevada had the highest accidental death rate of any state in 1953. It was 157.8 per 100,000 population. New Jersey's 41.2 was the lowest.

Although psychologists say emotional disturbances often cause accidents, it is doubted if there is any connection between Nevada's high number of divorces and accidents.

You are not as likely to work yourself to death as you are to loaf yourself to death. Off-the-job accidents killed 32,000 workers in 1953, while 15,000 were killed on the job.

More than 38,500 people will die in motor vehicle accidents in the U. S. by the end of the year if highway mishaps continue at the present rate.

For the New Year's weekend driving motorists are urged to start long trips early in the morning and to "slow down and live." They are also suggested to make ten minute stops every two hours and wherever possible change drivers every two hours.

Official breeding meeting is scheduled for February 14 and a tomato production meeting will be held February 17, with Dr. R. S. Kirby, Extension insect specialist, and J. O. Dutt, Extension vegetable specialist, as the speakers. The same men will speak at the annual meeting of the Adams County Fruit Growers association scheduled for February 26.

County Agent Frank S. Zettle reported on activities of his office last month. He said that an increased program of meetings and activities in connection with general livestock should be presented.

General livestock brings in more than 20 per cent of the farm income of the county, he said, adding, "Extension plans to expand its program in this field to meet its needs. Dairy housing, as an example, is a critical problem with many farmers at the present moment."

Miss Florence Finger, extension home economist, gave the month's report on the activities of her group and Fred H. Attinger, assistant county agent, reported on the 4-H activities.

Christmas Day visitors at the home of Mr. and Mrs. John Kump and daughter, Miss Freda Kump, were Mr. and Mrs. Auther Spangler, York; Mr. and Mrs. Paul Bankert and daughters, Misses Sharon and Joann Bankert, Mrs. Raymond Echard and children, Hanover.

MACFADDEN ESCAPES JAIL

NEW YORK (AP)—Physical culturist Bernarr Macfadden has won a temporary respite from a court order that would have put him in jail for failure to pay debts.

Any stay in jail "would very well spell the ruin of my physical, mental, and spiritual existence and may very well cause my death," the 87-year-old Macfadden pleaded yesterday before Supreme Court Justice Benjamin J. Rabin.

Rabin held up enforcement of the contempt of court order which would have put Macfadden behind bars on Friday. The order stemmed from his failure to pay his third wife, Jonnie Lee Macfadden, \$1,500 in alimony and \$5,000 in legal fees.

The justice called on Mrs. Macfadden, who recently won separation from the physical culturist, to show Thursday why the amount should not be cut down.

Macfadden, who said he once had 50 millions, claims he now has only \$2,000 - a month annuity which has to cover judgments and back-tax payments, leaving him barely \$100-a-month for personal needs. He thus could not comply with the contempt of court order, Macfadden said.

The origin of meteorites is still controversial. Generally, they are believed to be lumps from an exploded planet or perhaps two that collided.

LEADER NAMES J. J. LAWLER TO HIGHWAY POST

(Joseph J. "Jo Jo" Lawler is a former football coach at Mt. St. Mary's College, Emmitsburg.)

HARRISBURG (AP)—Gov. elect George M. Leader today designated Joseph J. Lawler, Scranton, as his choice for secretary of highways when the new Democratic administration is inaugurated Jan. 18.

Lawler, 52, has had extensive experience in government service dating back to 1936 when he was chief of the endorsement division of the Bureau of Motor Transportation with the Public Utility Commission.

Also a former assistant postmaster-general, Lawler managed Leader's election campaign in Northeastern Pennsylvania. He is a brother of Michael F. Lawler, Lackawanna County commissioner and Democratic county leader.

Schmidt To Retire

Present highways secretary is E. L. Schmidt, former chief engineer for the department. He succeeded the late Ray Smock, Meadville, who died in 1952. Schmidt plans on retiring to a house he has built at Delray Beach, Fla.

The new appointment is the sixth cabinet job to be filled by Leader. Highways secretary is regarded as an important post not only because of the commonwealth's extensive roadbuilding program but also because of the patronage possibilities for its holder.

Orrtanna

Herbert Wetzel, a student at Pennsylvania State University, is spending a two weeks vacation with his parents, Mr. and Mrs. Dale Wetzel.

HUGE TOBACCO BLAZE

HAVANA (AP)—Fire of unknown origin in a tobacco field yesterday caused damage unofficially estimated at \$1,200,000 at San Juan Martinez, about 130 miles south-west of here. Thirteen persons were reported injured in the blaze.

The department dispenses more than 15,000 posts including per diem paid jobs.

Previous cabinet appointments include Herbert M. Cohen, York, as attorney general; William L. Henning, State College, agriculture secretary; Ruth Grigg Horting, Lancaster, secretary of public assistance; Gerald A. Gleeson, Philadelphia, revenue secretary, and Francis J. Smith, also Philadelphia, insurance commissioner.

Called "Competent"

In announcing Lawler's appointment, Leader praised him as "an exceptional competent administrator."

"We are counting on him to give new scope and meaning to the important functions of the highways department," he said.

Lawler is a graduate of Scranton University and holds a law degree from Catholic University, Washington, D. C. He is a former director of athletics at Jessup High School.

EB DRIBBLERS DIVIDE GAMES WITH ALUMNI

Jake Divine's East Berlin High School varsity ran its winning streak to six straight Tuesday evening by defeating the Alumni dribblers 53-41 to make its record 6-1.

After trailing 20-17 at the end of the first half, the varsity boys poured 25 points through the hoops in the third period to win going away. Lanny Oberlander connected for 18 tallies to spark the winners while the grads were led by Mummert who tabbed 13.

Rhe East Berlin girls opened their campaign by dropping a hard fought preliminary to the Alumnae 39-38.

Next Tuesday the varsity boys open the Adams County League campaign by playing at Littlestown.

PAUL BROWN PROUD OF WIN

CLEVELAND (AP)—Paul Brown, tying up the loose ends today on one of the "most satisfying" seasons in his coaching career, admitted he was indulging himself in a "little chuckle."

"You know how it is. There are certain people who didn't like to see anybody win too often," he said. "Well, we started this year poorly and they started throwing bricks in our direction."

"Now, I'm getting a little chuckle out of it," the Cleveland Browns coach said as he packed his baggage for a trip to Mobile, Ala., where he will mastermind the North team Jan. 8 in the annual Senior Bowl game.

Brown, publicly gloomy before the National Football League championship game, also admitted he never expected to lose. But he quickly added that he never imagined his team would win "by that kind of a score. I thought it would be a tough contest."

The Browns, who had lost two previous title playoffs to the Detroit Lions, thumped the Michigan team Sunday, 56-10.

"We really were in full bloom," Brown said. In all his years, he added, he never had a team that was "up" as much as Sunday's.

New Oxford

NEW OXFORD—The Rev. Eduardo Hondveros, Jesuit Father, stationed at Woodstock, Md., and a native of the Philippines, spent the Christmas weekend at the Catholic rectory here and preached the sermon for the midnight mass at which he was deacon, with the pastor, Father Philip J. Gergen, celebrant. Father Hondveros, who was in Manila during the winter of 1944-45 and whose brother was among those killed in the battle, related in his sermon his reminiscences of the Christmas of that year. The Filipino priest was also celebrant for the Sunday high mass after which he, with Father Gergen, conducted the service of exposition of the Blessed Sacrament that opened the annual day of prayer for Christians persecuted in Communist-held countries.

Mr. and Mrs. George Stock, Hershey, spent the Christmas weekend with her mother, Mrs. James R. Weaver, and family.

John F. Smith, son of Mr. and Mrs. Albert Smith, a first-year student in a Catholic seminary at Kitchener, Ontario, who is spending the Christmas recess with his parents, visited also in York during the holidays.

Mr. and Mrs. Clair I. Mumper visited in Lancaster during the Christmas season.

Mr. and Mrs. Robert Perry and family, who had lived for a time in Hanover, are occupying a part of the newly built house on property of her father, Leslie E. Reinecker, Pine Run farmer, sharing the building with the Donald Thomas family.

The date set for the next public card party, sponsored by the Rosary Society for the building fund of the Immaculate Conception Catholic parish, is Tuesday evening, January 11.

Men of the local Catholic parish will meet this evening in the parochial school to assist in the assembling and arrangement of a new shipment of desks for the new school rooms, in order to have classrooms perfectly equipped in time for reopening January 3. Paying

AVERAGE MAN HAS MORE WAYS TO SAVE NOW

By SAM DAWSON
NEW YORK (AP)—The year's big spending spree behind them, most citizens are full of good resolutions today about saving money.

If you're serious about it, you might take a tip from corporations. They strike a trial balance sheet when they want to find out where they stand. And they keep up a watchful search for the best plan to make assets and funds work for them for maximum saving.

Some individuals think they have been saving money when actually they're worse off now than when the year started. Others say they haven't been able to save a cent when actually they have added to their net worth by increasing their equity in insurance or homes.

More Ways To Save
The man with a small income has more variations on ways of saving than he used to — and is using more outlets too, the Research Institute of America points out today. He is buying stocks on the installment plan, investing in mutual funds, using investment plans especially packaged by banks.

The standard outlets for saving.

A NEW YEAR— AN OLD PLEDGE

Since telephone service is vital to the health, wealth and welfare of America—our New Year's resolution must be the same every year: A pledge of constant effort to continue to improve service and expand facilities.

You can depend upon us to go right on furnishing telephone communications of the calibre that has made American service the model and the envy of the world in quality, quantity and low cost to subscribers.

Negro Girls Make Debut At Willard

WASHINGTON (AP)—Fourteen Negro schoolgirls made their debut Monday night at the Willard Hotel. The formal party was the first of its kind in memory at a downtown hotel.

The girls, all 16 and 17 years old, wore traditional white gowns and elbow-length white gloves and carried bouquets of red roses. Their escorts wore white ties.

Some 200 guests attended the party, held in the Crystal Ballroom of the Willard, a capital landmark often called the "Residence of Presidents."

Mrs. Jennie M. Waburg, mother of one of the girls and a teacher at Lincoln Junior High School in nearby Rockville, Md., arranged the party. She said she hoped it would inspire "other girls of our race to pattern their lives in such a manner that their parents would be warranted in presenting them."

COURT CURBS IRATE FARMER

DOYLESTOWN, Pa. (AP)—Judge Edwin H. Satterthwaite on Monday handed down a temporary injunction restraining a Bucks County farmer who allegedly used a shotgun to frighten Pennsylvania Turnpike workmen from his property.

The injunction was obtained by William M. Power, Bucks County attorney for the Turnpike Commission, who charged that the farmer, Gustave E. Bergstrom, and R. 2, threatened two workmen who went on his property last December 16 to remove a tree and a fence.

Power said the work must be done on the farm, which touches the intersection of the northeast turnpike extension and Rt. 663, to permit reconstruction of the highway and for relocation of utilities of the Pennsylvania Power and Light Co.

Bergstrom says the removal of

of course, continue to be banks and other saving accounts, insurance, savings bonds, corporate securities, real estate.

For its 50,000 members the institute has drawn up a savings policy memo for 1955 which shows them how to find out if they're really saving or not, and to determine which is the best way for them to save.

Make Yearly Checkups
Here are the principal points: First, strike a personal balance sheet, like a corporation's, to find out your net worth.

On one side list what you own: cash in bank, cash surrender value of life insurance and annuities, market value of real estate, resale value of furniture and furnishings, trade in value of cars, money lent to others, government and corporate bonds, and market value of other securities. Add them up to get the total of your assets.

To find out what you owe, list: all bills due, personal loans payable, amount of mortgage still due, unpaid taxes, balance due on installment purchases. Add them up to get your total liabilities.

Compare your asset value and your liabilities and find your net worth — or (let's hope not) how far you're behind the game.

Repeat a year from now and see if you've been making progress at saving — or slipped further into debt.

the tree would destroy the beauty of the landscape on that part of his farm and contends the commission should pay him \$5,000 if the tree is removed.

A hearing to make the injunction permanent will be held Friday.

UB MINISTER DIES ON MONDAY

QUAKERTOWN, Pa. (AP)—The Rev. William J. Friday, 56, pastor of Bethel Evangelical United Brethren Church here, died Monday at his home.

A graduate of the Evangelical School of Theology at Albright College, he also was a graduate of the Schuylkill Seminary, formerly at Reading.

After receiving his Eastern Pennsylvania Conference license in 1921, he served the Barnsville charge in Schuylkill County and later was assigned to the Bethel Church here. From there he went to Wiconisco in Dauphin County

and returned to Bethel Church in 1947. A native of Philadelphia, he was the son of Joseph Friday and the late Anna Friday. He is survived by his father; his widow, Mrs. Mildred Henry Friday; a daughter, Janice, and a son, Dale.

Funeral services will be held at the Bethel Church at 1 p. m. Thursday.

Emmitsburg LIONS TREATED 900 KIDDIES AT ANNUAL EVENT

The Emmitsburg Lions Club held its second December meeting Monday evening at Bucher's Restaurant. This date had been set aside as "Christmas Night" for the exchange of gifts among the members.

A report was made in the Kiddies' Christmas treat and entertainment on Christmas Eve. About 900 children were present from town and the vicinity. After the entertainment, several Lions took treats to some of the needy or ill children who could not be present.

A final report was made on the Horse Show, the proceeds from which will be used to defray the expenses to carry on the work of the Lions for the needy, such as procuring eye glasses for children with defective eye sight. It was decided to hold the Horse Show again next year.

Marshall Kerr, manager of the Toot Shoe Company, was admitted to the Lions Club.

pensburg State Teachers College. The Rev. Louis S. Dougherty, pastor of Paradise Catholic Church, has announced that New Year's Day, the Feast of the Circumcision of Christ, will be marked by an evening Mass at the parish church at 7:30 p.m.

There will be Masses New Year's morning, the first at 7 in the school chapel and the second at 8:30 in the parish church. The confessions for the weekend will take place prior to each Mass.

An offering taken at each Mass will be given to two cloistered Sisterhoods, one Dominican and the other

Carmelite, in the Harrisburg diocese. A new group of women of the Paradise council, National Council of Catholic Women, will furnish prizes and refreshments and services hostesses Tuesday evening, January 11, for a monthly public card party at the church social rooms, beginning at 8 o'clock.

Mrs. Harry D. Cooley is recovering from an illness that confined her to bed for nearly a month.

A group from Trinity Lutheran Church, of which she has been a member for many years, went to York recently to visit Mrs. Harry E. Serf, who is remaining for the win-

ter with her daughter, Mrs. Leo A. Miller, to recuperate from a severe illness.

A group from this area will join friends from the York Springs and Dillsburg section on an excursion trip by bus to spend New Year's Eve in New York City. The group will leave Friday morning and expect to return late New Year's night.

Newly installed as president of the Women's Missionary Society of Holtzschwamm Lutheran congregation is Mrs. Roy Brillhart, with Mrs. George Laughman, vice president; Mrs. John Newcomer, secretary; Mrs. Russell Blum, assistant secretary; Mrs. Clair Porry, statistical secretary; Mrs. Earl Peck, assistant statistical secretary; Mrs. Paul Miller, treasurer, and Mrs. Howard Stump, assistant treasurer.

Jesse J. Hamme was installed as a Holtzschwamm elder, with Melvin L. Eyster, Nathan Leppo and James R. Eisenhart, deacons.

RITA ENDS SUSPENSION

RENO (AP)—Rita Hayworth will return to Hollywood to make two movies, thus ending a six-month suspension from Columbia Studios. In a terse statement announcing a contract was signed here last night, Miss Hayworth's attorneys said the two pictures "would end her Columbia association."

There was no mention of salary. It was reliably reported, however, that the actress' husband, crooner

TAKE COURT PIX TO TEST BAN

GREENSBURG, Pa. (AP)—Two newspapers have taken and published pictures made in the Westmoreland County courthouse so that they may make a test of a ban against such action.

The pictures were published yesterday afternoon by the Greensburg Daily Tribune and this morning by the Pittsburgh Post-Gazette. They show John Wesley Wable, 28, of Ohio, being led to and from a courtroom where he was sentenced yesterday to death in the electric chair for slaying a truck driver on the Pennsylvania Turnpike.

The ban has been in effect since Wable's trial last February.

The State Supreme Court refused to hear an appeal, ruling that the ban had not been violated.

County Judge Edward G. Bauer, who issued the original ban, told a newsman that he didn't know if any action would be taken or when he would meet with other county judges to discuss it.

Dick Haymes, successfully held out for one million dollars plus \$150,000 per picture.

ACID-PROOF NON-INFLAMMABLE

Gold Bond TWIN INSULATION

For the first time, a rock wool blanket with reflective foil/aluminum on all four sides. Provides twin insulating action:

- 1 Trapped air-cells in the fire-safe rock wool, bar heat movement.
- 2 Reflective blanket surface, when facing minimum 3/4" air space, turns back radiated heat.

An ideal insulating combination against loss of furnace heat in winter and against penetration of attic heat in summer.

Resilient spun rock wool, sealed to both sides of blanket covering won't sag or settle. Makes a stiffer, easier-to-install blanket. Stop in; examine samples; see how easy it is to put it in your attic. Give us your attic dimensions and we can tell you how little it costs to enjoy the comfort and fuel-savings of Gold Bond Twin insulation!

brighten your home with

Do you want rooms that are bright, cheerful and stimulating... yet, as restful as the out-of-doors? Then SURFWOOD paneled walls are for you, when you build or remodel.

Weldwood SURFWOOD is real wood paneling. It has a handsomely textured surface that blends with modern or traditional furnishings. Sound and open knotholes add to its dramatic, rustic appearance. It can be left natural or painted or stained to produce exciting 3-dimensional effects on walls and ceilings. And once you install and finish SURFWOOD panels, you never need to redecorate. All it needs is an occasional washing.

SURFWOOD is inexpensive, too! The panels are so easy to handle and install, that you can even do the job yourself. So, before you buy any wall paneling for your new home or for remodeling, stop in and see SURFWOOD first.

ADVERTISE IN THE TIMES

TWO SPECIAL MESSAGES ARE PLANNED BY IKE

By WILMOT HERCHER

AUGUSTA, Ga. (AP)—President Eisenhower will send a special message to Congress Jan. 11 recommending pay increases for federal civil service workers and postal employees.

Another special message will be sent to Capitol Hill Jan. 13, the Little White House announced, outlining a program of increased pay and benefits for members of the armed services.

The second message will also deal with the new reserve program outlined recently by Secretary of Defense Wilson.

Means Rate Hike

James C. Hagerty, White House press secretary, told reporters the proposals for civil service pay increases and adjustment of job classifications would add about 202 million dollars a year to present payroll costs.

This figure is about 5 per cent

of the present payroll for classified civil service workers, he said. Hagerty did not provide any figures on the increases being considered for employees of the Post Office Department and members of the armed forces.

He did say, however, that the administration still feels that any increases for postal workers should come from increased postal rates, and that any legislation would include provision for such hikes.

Basic \$125 Jump

Hagerty declined to say whether Eisenhower would recommend a one-cent increase in the rate for first class mail, bringing the sealed letter rate to four cents. Congress balked at this last year.

Eisenhower vetoed a pay hike bill for civil service and postal workers last August because it did not contain provision for postal rate increases.

Hagerty said the civil service and postal recommendations this year would not be linked in one bill.

As now drafted, the recommendations provide for a minimum increase of \$125 a year for civil service workers in the grade of GS 1 and a maximum of \$800 a year in the top grades.

John C. Kunkel To
Head Cancer Drive

JOHN C. KUNKEL

John C. Kunkel, Harrisburg attorney, has been appointed area chairman for the 1955 Cancer Crusade in the eight-county, south-east central area of Pennsylvania.

His appointment was announced today by Fred Waring, famous orchestra and choral leader who is state campaign chairman for the 1955 Cancer Crusade of the American Cancer Society.

The combined educational and fund raising drive to be held next April will seek \$1,300,000 to continue and expand the American Cancer Society's program of service, education and research in the Pennsylvania Division.

Mr. Kunkel served as a representative to the United States Congress for 12 years. He is a graduate of the Harrisburg Academy, Phillips Academy (Andover, Mass.), Yale, and Harvard Law School.

**Nurses Increase
Fee \$2 Per Day**

PHILADELPHIA (AP)—The Nurses Official Directory, an organization covering five southeastern Pennsylvania counties, has announced a \$2 daily fee rate increase, effective Saturday.

Under the new rate schedule, private duty nurse will receive \$14 for an eight-hour day in Philadelphia, Bucks, Chester, Delaware and Montgomery Counties.

The Directory, sponsored by the Pennsylvania Nurses Association, lists approximately 600 nurses in the five-county area for call on private duty cases.

Miss Mathilda Scheuer, president of the Bucks-Philadelphia District of the nurses association, said the rate increase was necessary because of higher living costs.
